### **Texture Information: -**

The texture work has been created using a mixture of Paintshop Pro 7 & Adobe Photoshop v8 CS.

The textures are 2048x2048 to achieve the highest detail on the model.

### **Installation Notes: -**

Extract the .exe file and follow the instructions on the installer. The installer will automatically detect where your MSTs directory is. If for some reason this is incorrect, please correct this before continuing to install.

You will need to download the Class 158 Sounds by Jonathan Powell. They can be found on [www.uktrainsim.com](http://www.uktrainsim.com) with the File ID: 10315 or alternatively you can click on the following URL:

[http://members.uktrainsim.com/filelib-info.php?form\\_fileid=10315](http://members.uktrainsim.com/filelib-info.php?form_fileid=10315)

The installer automatically creates a consist, so you can load up the simulator and start driving.

If you have any issues please email [antoncm@btinternet.com](mailto:antoncm@btinternet.com) or contact me via the forums [username: backfoot2002].

Thank you for downloading.

***DISCLAIMER: I am not responsible for any damage to your system , please backup files BEFORE making a new installation, as it is much easier to correct errors that may occur. I'm sure that it should be fine though***
