ALL Copyrights belong to their respective owners.

This model is NOT for commercial use either, nor is it 'Public Domain'

**Please see original readme for more information.**

### **Texture Information: -**

The repaint uses 2048x2048 textures to achieve the highest detail.

The texture work has been created using a mixture of Paintshop Pro 7 & Adobe Photoshop v8 CS.

### **Installation Notes: -**

Extract the .exe file and follow the instructions on the installer. The installer will automatically detect where your MSTs directory is. If for some reason this is incorrect, please correct this before continuing to install.

The Sounds & Cabview are setup to work with those from The Great Eastern route by Making Tracks. If you do not have this, then you will have to use alternative sounds.

If you have any issues please email [antoncm@btinternet.com](mailto:antoncm@btinternet.com) or contact me via the forums [username: backfoot2002].

Thank you for downloading.

***DISCLAIMER: I am not responsible for any damage to your system , please backup files BEFORE making a new installation, as it is much easier to correct errors that may occur. I'm sure that it should be fine though***
