Barbie Doll

A scenario for RailWorks 3: Train Simulator 2012

Sean Harris

Description

A First ScotRail class 156 has arrived in Braidhurst Loop (Motherwell) around 30 minutes ago to stable there after the previous service. You are in charge of the next service it will work; the 12:45 Motherwell to Lanark service, replacing the normal Class 318. You will be calling at all stations en-route. It is a rainy day but no other problems have been reported.

Briefing

Your task is to take a First ScotRail 'Barbie' liveried class 156 from Braidhurst Loop (Motherwell) to Lanark on an all-stops service - your timetable can be accessed by pressing F4 then F1.
